Tallahassee, Florida,

*Honorable Charley E. Johns, Chairman
Senate Committee of the Whole
The Capitol*

Dear Sir:

Your Subcommittee of the Senate Committee of the Whole this day appointed to steer the procedure of the Senate in the matter of inquiring into the remarks of Mr. Sam Davis, at that time Director of the State Beverage Department, begs leave to report:

1. Since its appointment a communication has been received by the Senate and by the House of Representatives from his Excellency, the Honorable Dan McCarty, Governor, advising that Mr. Davis has resigned as such Beverage Director and that his resignation has been accepted; and further expressing the sentiments of the Governor in respect to the reckless and unwarranted remarks which were attributed to Mr. Sam Davis by an article appearing in today's issue of the Tampa Tribune.

2. That a member of this Subcommittee has been in telephone communication with Mr. Sam Davis, who advised that it was not possible for him to appear before the Senate until late tonight, due to lack of transportation facilities; and further advised that he had been substantially misquoted by the newspaper and was addressing a telegram of apology in

respect to certain statements attributed to him by said newspaper article.

3. That this Senate had undertaken to adjourn sine die at 12 o'clock, Noon, on this day, and its failure so to do was occasioned solely by the necessity to dispose of the business occasioned by the acts of Mr. Sam Davis, which are under consideration by the Committee of the Whole.

4. That the House of Representatives, having concluded its business, is standing in recess subject to adjournment sine die as promptly as the Senate has completed this agenda of business, which is the only item now remaining to be disposed of.

5. That the action of the Governor in seeking and obtaining the resignation of Mr. Sam Davis, as aforesaid, coupled with the apology as submitted by Mr. Davis, is sufficient in the judgment of your Subcommittee to warrant the Senate in concluding this unfortunate matter without further delay and without dignifying the author of the incident by any further official action in the premises.

Your Subcommittee therefore respectfully recommends that the Committee of the Whole accept this Report as its final report and action on said subject, that this Report be spread upon the Journal of the Senate, that the Committee of the Whole be dissolved, and that the Senate do proceed to conclude its business and adjourn sine die.

Respectfully submitted,
WOODROW MELVIN
R. B. GAUTIER
WALLACE E. STURGIS

The telegram from Sam F. Davis is attached hereto and by reference made a part of this report.

MESSAGE FROM THE GOVERNOR

The following communication from the Governor was read:

STATE OF FLORIDA

EXECUTIVE DEPARTMENT

TALLAHASSEE

June 5, 1953

Honorable President and Members of the Senate

Honorable Speaker and Members of the House of Representatives

Tallahassee, Florida

Sirs:

Since my inauguration, I have diligently respected the separation of powers as provided in our Constitution between the Executive, Legislative, and Judicial branches. I have consistently impressed on all members of my Little Cabinet and all of my administration the importance of the Executive Department respecting this division of powers.

It was with surprise and sincere regret that I read the remarks attributed to Beverage Director Sam Davis in Tampa yesterday. In my opinion, Mr. Davis has demonstrated considerable administrative ability in the operation of the Beverage Department since his appointment, but such remarks constitute a variance from my announced policy. These reported remarks have been construed as a grave reflection against a substantial segment of the Legislature. As such they were most unfortunate and improper. I also particularly regret the personal reference to the dean of the Senate, Judge S. D. Clarke, who I consider to be an able, honorable, and conscientious legislator.

While recognizing Mr. Davis as a competent administrator I assure you that the statements about the Legislature which

were attributed to him did not reflect the thinking of my administration.

I have today received the resignation of Sam Davis as Beverage Director. For the best interest of everyone concerned, I have accepted his resignation.

I have publicly stated several times that in my opinion this has been a hard working legislature and one that has accomplished much good. I personally appreciate your good works and the splendid cooperation you have given to my program, and as you conclude this constructive session, I extend to each of you my best wishes.

Sincerely,

DAN McCARTY,
Governor

DM/d

Senator King moved that the Senate proceed to the consideration of Executive Business.

Which was agreed to.

By Senator Sturgis —

Senate Concurrent Resolution No. 240:

A CONCURRENT RESOLUTION MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO ENACT LEGISLATION PROVIDING FOR THE WITHDRAWAL OF FEDERAL GOVERNMENT FROM THE FIELD OF GASOLINE TAXES.

WHEREAS, The Federal gasoline tax is levied upon the users of American highways; and

WHEREAS, From time to time the United States has changed its rate of taxation on this commodity which action makes it increasingly difficult for the respective states to develop a comprehensive tax program to provide revenues for the improvement and maintenance of their highways; and

WHEREAS, The highway system of this country and the highway systems of the several states are rapidly deteriorating because the funds needed to develop and maintain a modern highway network are not available; and

WHEREAS, The Federal Government is now distributing to the states only about two-thirds of the revenue which it is deriving from the Federal gasoline tax and is diverting the remainder to its other purposes; and

WHEREAS, If the Federal Government would withdraw from the field of gasoline taxes and the several states would increase the taxes imposed by them on gasoline and motor vehicle fuels in an amount equal to the Federal tax on gasoline, a much larger amount of revenue would be available to the several states for the purpose of developing and maintaining a modern system of highways therein; and

WHEREAS, The Eleventh General Assembly of the States which was held in Chicago, Ill., in the month of December, 1952, at which practically all of the states of the United States were represented, went on record as favoring the withdrawal of the Federal Government from the gasoline tax field; and

WHEREAS, The National Conference of Governors has declared by appropriate resolutions that the Federal Government should withdraw from the gasoline tax field: NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

That we respectfully urge and request the Congress of the United States to enact legislation which will:

(1) Return to each state without restriction all Federal taxes on gasoline collected therein until such time as the individual state is able to enact legislation as may be necessary to permit it to collect such tax;

(2) Eliminate the tax on gasoline now collected by the United States as soon as the individual states have enacted legislation as may be necessary to permit the state to collect the tax;

(3) Eliminate Federal aid for highways except in those states where the revenues produced by a tax of two cents

per gallon of gasoline is less than present Federal aid allocations to such states;

(4) Change the present functions of the Federal Bureau of Public Roads so that it would become a consultive and advisory engineering agency which would collect, correlate and disseminate information relative to the design, construction, maintenance and operation of highways and bridges and the materials used therefor, and

BE IT FURTHER RESOLVED that the Secretary of State be directed to transmit a copy of this resolution to the President of the United States, the Vice-President of the United States, the Speaker of the House of Representatives of the Congress of the United States, and each member of the Florida delegation in the United States House of Representatives and the United States Senate and to the respective houses of the legislatures of the several states of the United States.
